Playground Maintenance Safety Training April 12 – 13

In Partnership with the Eppley Institute for Parks and Public Lands at Indiana University

Gwinnett

WHO SHOULD ATTEND

Anyone who performs hands-on playground safety inspections and maintenance, along with those who supervise playground maintenance staff should attend. Participants with experience ranging from just a few weeks up to 30 years find the two-day course practical and informative.

ABOUT YOUR INSTRUCTOR

Tom Kalousek has been an active professional in the realm of park maintenance and supervision for over 40 years. He worked as the Superintendent of Maintenance in Rockford, IL for a total of 21 years, during which time he became Director of Park Services and managed all capital planning, maintenance, land acquisition, police services, and special event services. Tom has also taught the Certified Playground Safety Inspector (CPSI) course since 1995.
